

SUMMER! ARTS & FUN!

for ages 3-8 9:30am-1:30pm

Join Tessera Arts for our eleventh summer of creativity
and friendship!

A focus activity will be offered each day along with a choice of stations for children to explore (dress up, construction toys, games...). We will also have time in the gym and/or outside, and we may play in the water. Children bring a lunch and extra clothes. Expect to get messy!
Tessera provides a snack and filtered water is available anytime.

WEEK ONE- TENT PAINTING

June 21-24

A Tessera summer tradition!

We'll use acrylics to get the inside and outside of our tent ready for use this summer! We'll explore different paints on different surfaces- watercolor, acrylic and tempera, on paper, wood, and cloth. 3-D component will be diorama creation station.

WEEK TWO- LEMONADE STAND

June 28-July 1

A Tessera Summer tradition!

Work together to design, assemble, and decorate a lemonade stand for use in the class. Also be invited to create 3-D designs on a smaller scale with cardboard and hot glue. Of course, we'll make some papier-mache lemons! And real lemonade.

WEEK THREE- SCIENCE GOOPS!

July 5-8 Kids get to mix up stuff and make new substances. We will make goop and gak, explore viscosity, and work with ice and heat, warm and cool colors. Another artsy tie-in is **MIXXED MEDIA**- Don't try this at home!

WEEK FOUR- POTIONS!

July 12-15 More creative blending with an emphasis on mixing color. We'll work with hue and value as we use our potions to paint with. A final painting will be made into a wizard hat.
