

SUMMER! ARTS & FUN!

for ages 3-8 9:30am-1:30pm

Join Tessera Arts for our tenth summer of creativity and friendship! Four day blocks of themed camps are offered, with Fridays available singly.

A focus activity will be offered each day along with a choice of stations for children to explore (dress up, construction toys, games...). We will also have time in the gym and/or outside. Children bring a lunch and extra clothes. Expect to get messy! Tessera provides a snack and filtered water is available anytime.

WEEK ONE- TENT PAINTING

June 23-26

A Tessera summer tradition!

We'll use acrylics to get the inside and outside of our tent ready for use this summer! We'll explore different paints on different surfaces- watercolor, acrylic and tempera, on paper, wood, and cloth. Add some sewing, stitching, and stringing to embellish these projects!

WEEK TWO- MAGICAL FOREST

June 30-July 3

We will travel with our painted tent (see WEEK ONE) to the Magical Forest (North City Park, which adjoins the school grounds) for stories and dramatic play. Back in the class, children will compose and dictate stories and ideas which we will inscribe on our tent.

WEEK THREE- LEMONADE STAND

July 7-10

A Tessera Summer tradition!

Work together to design and assemble (and of course decorate!) a lemonade stand for use in the class. Also be invited to create 3-D designs on a smaller scale with cardboard and hot glue. Of course, we'll make some papier-mache lemons! And real lemonade.

WEEK FOUR - FOOD!

July 14-17

Peel and chop, grind things! Blend up smoothies and make tortillas. Create tostadas. Our art component will be still life arrangement and drawing, and printing using foodstuffs. Charcoals, pencils, oil and chalk pastels- with food dye watercolor!

*no lunch is necessary during food week!

WEEK FIVE- SCIENCE GOOPS!

July 21-24

Kids get to miX up stuff and make new substances. We'll make goop and gak, explore viscosity, and work with ice and heat, warm and cool colors. Another artsy tie-in is MIXXXXED MEDIA- don't try this at home!

WEEK SIX- CLAYS & DOUGHS

July 28-31

Before making toilet paper play dough the toilet paper must be "taken" from its roll... We will make & take play doughs, work with (unfired) clay and collaborate using an armature. Color, density, weight, and texture will be at hand!

FANTASTIC FRIDAYS!
